Press Release

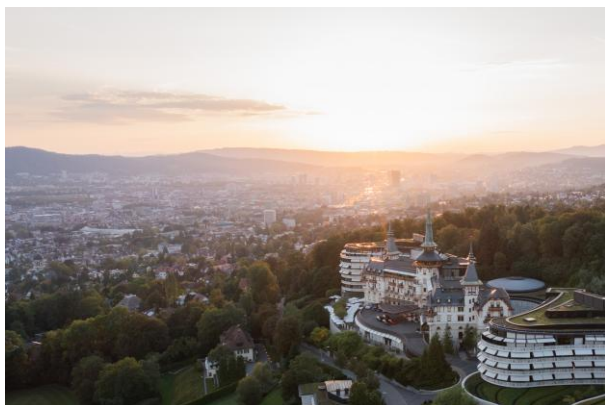

THE DOLDER GRAND AND DOLDER SPORTS AGAIN RECOGNISED AS TOP EMPLOYER 2026 IN SWITZERLAND

The Dolder Grand and its partner property Dolder Sports have once again been recognised by the Top Employers Institute as a Top Employer in Switzerland for 2026. The recertification confirms the continuous development of the workplace culture as well as the long term commitment to modern and responsible working conditions within the organisations.

The award is based on a structured evaluation process covering six core HR areas and around 20 topic fields. The assessment is conducted in accordance with internationally recognised standards.

The results are above the industry benchmark. Particularly positive evaluations were given to the structured onboarding process, targeted training and development programmes, and the consistent promotion of young talent. This is reflected, among other examples, in the achievements of emerging professionals such as Julia Tichy, winner of the Marmite Youngster Competition 2026 in the Patisserie category, and Lorenz Schait, an apprentice chef who ranked among the top 6 of the Gusto Competition in 2025.

As part of the ongoing development of the employer positioning, the career website of Dolder Hotel AG and its partner property was also newly designed and revised. The new presence is more user friendly and more personal. Statements from team members, insights into the management, and the integration of partner operations convey an authentic picture of the corporate culture.

With the renewed recognition as a Top Employer 2026, Dolder Hotel AG underlines its commitment to understanding employer quality as an ongoing process and to developing it consistently over time.

About the Dolder Grand

The Dolder Grand is a 175-room city resort nestled in the hills overlooking the vibrant lakeside city of Zurich and the picturesque Swiss Alps. Since opening its doors in 1899, the legendary hotel has played host to numerous international artists, renowned musicians, and prominent dignitaries, and over the years has established itself as a must-see culinary, wellness, and arts destination with a host of accolades to its name. Reimagined by acclaimed architect Lord Norman Foster in 2008, the Dolder Grand's historic, castle-like façade serves as a contrast to the impressive contemporary art collection housed within the hotel, including works by Salvador Dalí, Takashi Murakami, and Jani Leinonen. The Dolder Grand offers four distinct, and highly innovative dining concepts: The Restaurant (2-Michelin star and 19 GaultMillau points), Mikuriya (17 GaultMillau points), a new seasonal vegan/vegetarian garden restaurant, blooms (16 GaultMillau points), and Saltz (15 GaultMillau points). These remarkable culinary offerings, in addition to a lively bar and rotating pop-ups such as The Grand Heritage, reaffirm the hotel's standing as a place of daring culinary experimentation and most recently earned it the title of GaultMillau's 'Hotel of the Year 2024'. The Dolder Spa is over 4,000 sq meters and features an expansive indoor pool, hot and cold plunge pools, sauna, steam, aroma pool, solarium, snow room, meditation room, a sun-soaked outdoor terrace, and more. The Dolder Grand (2 Michelin keys) is a member of The Leading Hotels of the World, Swiss Deluxe Hotels and Responsible Hotels of Switzerland.
